MISSION
To be the authoritative publication for all involved with pulses in the UK – whether grower, merchant, end user or researcher.

FREQUENCY
Published three times a year at key decision times for the crop.

EARLY MARCH
Just in time to update growing at a time when growers at a time when they are reaching key decision regarding their spring-sown pulse crops.

EARLY MARCH, MID JUNE, EARLY DECEMBER

CIRCULATION
It is sent to some 15,000 pulse growers, or potential growers. This is through the controlled circulation list of CPM (Crop Production Magazine), the PGRO members list and to AICC Members. It is also distributed at our annual Grower Roadshows and at key agricultural events, such as Cereals.

RESTRICTIONS ON ADVERTISING
It is a benefit to advertisers that the amount of advertising in each issue and the style of advertisements is limited to companies who meet the PGRO’s objectives and who will be relevant to the editorial content.
